

## **Post-Visit Questions for Students**

1. How did your previous perception of the legal system differ from what you observed today?
2. Why do you think that decorum and protocol matter so much in the courtroom?
3. Were there any courthouse staff whose roles you were not aware of prior to this visit?
4. What was the level of security in this location? Why was it needed?
5. Case Analysis: Choose two trials that you observed today and answer the questions below:
  - Was it a civil or a criminal trial?
  - What was some of the terminology you heard in these courtrooms you were not familiar with?
  - Describe what the case was about.
6. Over all, how do you describe your visit to the courthouse today? Do you have a favorite part?
7. (If a Speaker Session was included) What was the speaker's role?
8. Did he/she have any answers about their role that surprised you?
